Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Subramanian asked for an interview to apprise the examiner of the state of the art as the examiner had changed after the response to the first office action and been mailed by applicant. Exmnr. Moran stated that the next office action was due to be mailed by Oct. 12. Due to the time factor, the examiner recommended scheduling an interview after receipt of the office action by applicants. The examiner stated unequivocally that she WOULD grant an interview whether the next office action were final or nonfinal.
